DEDICATION

With great pleasure we dedicate the 1962 "MemWarrs" to Rudolph Korsgaard. He is one of the charter faculty members of the present high school building and is recognized by all who know him as a sincere and staunch member of the community in which he lives and serves.

Teacher, coach and friend are all roles that make Rudolph Korsgaard one of the fine educators in our city.

Mr. Rudolph Korsgaard

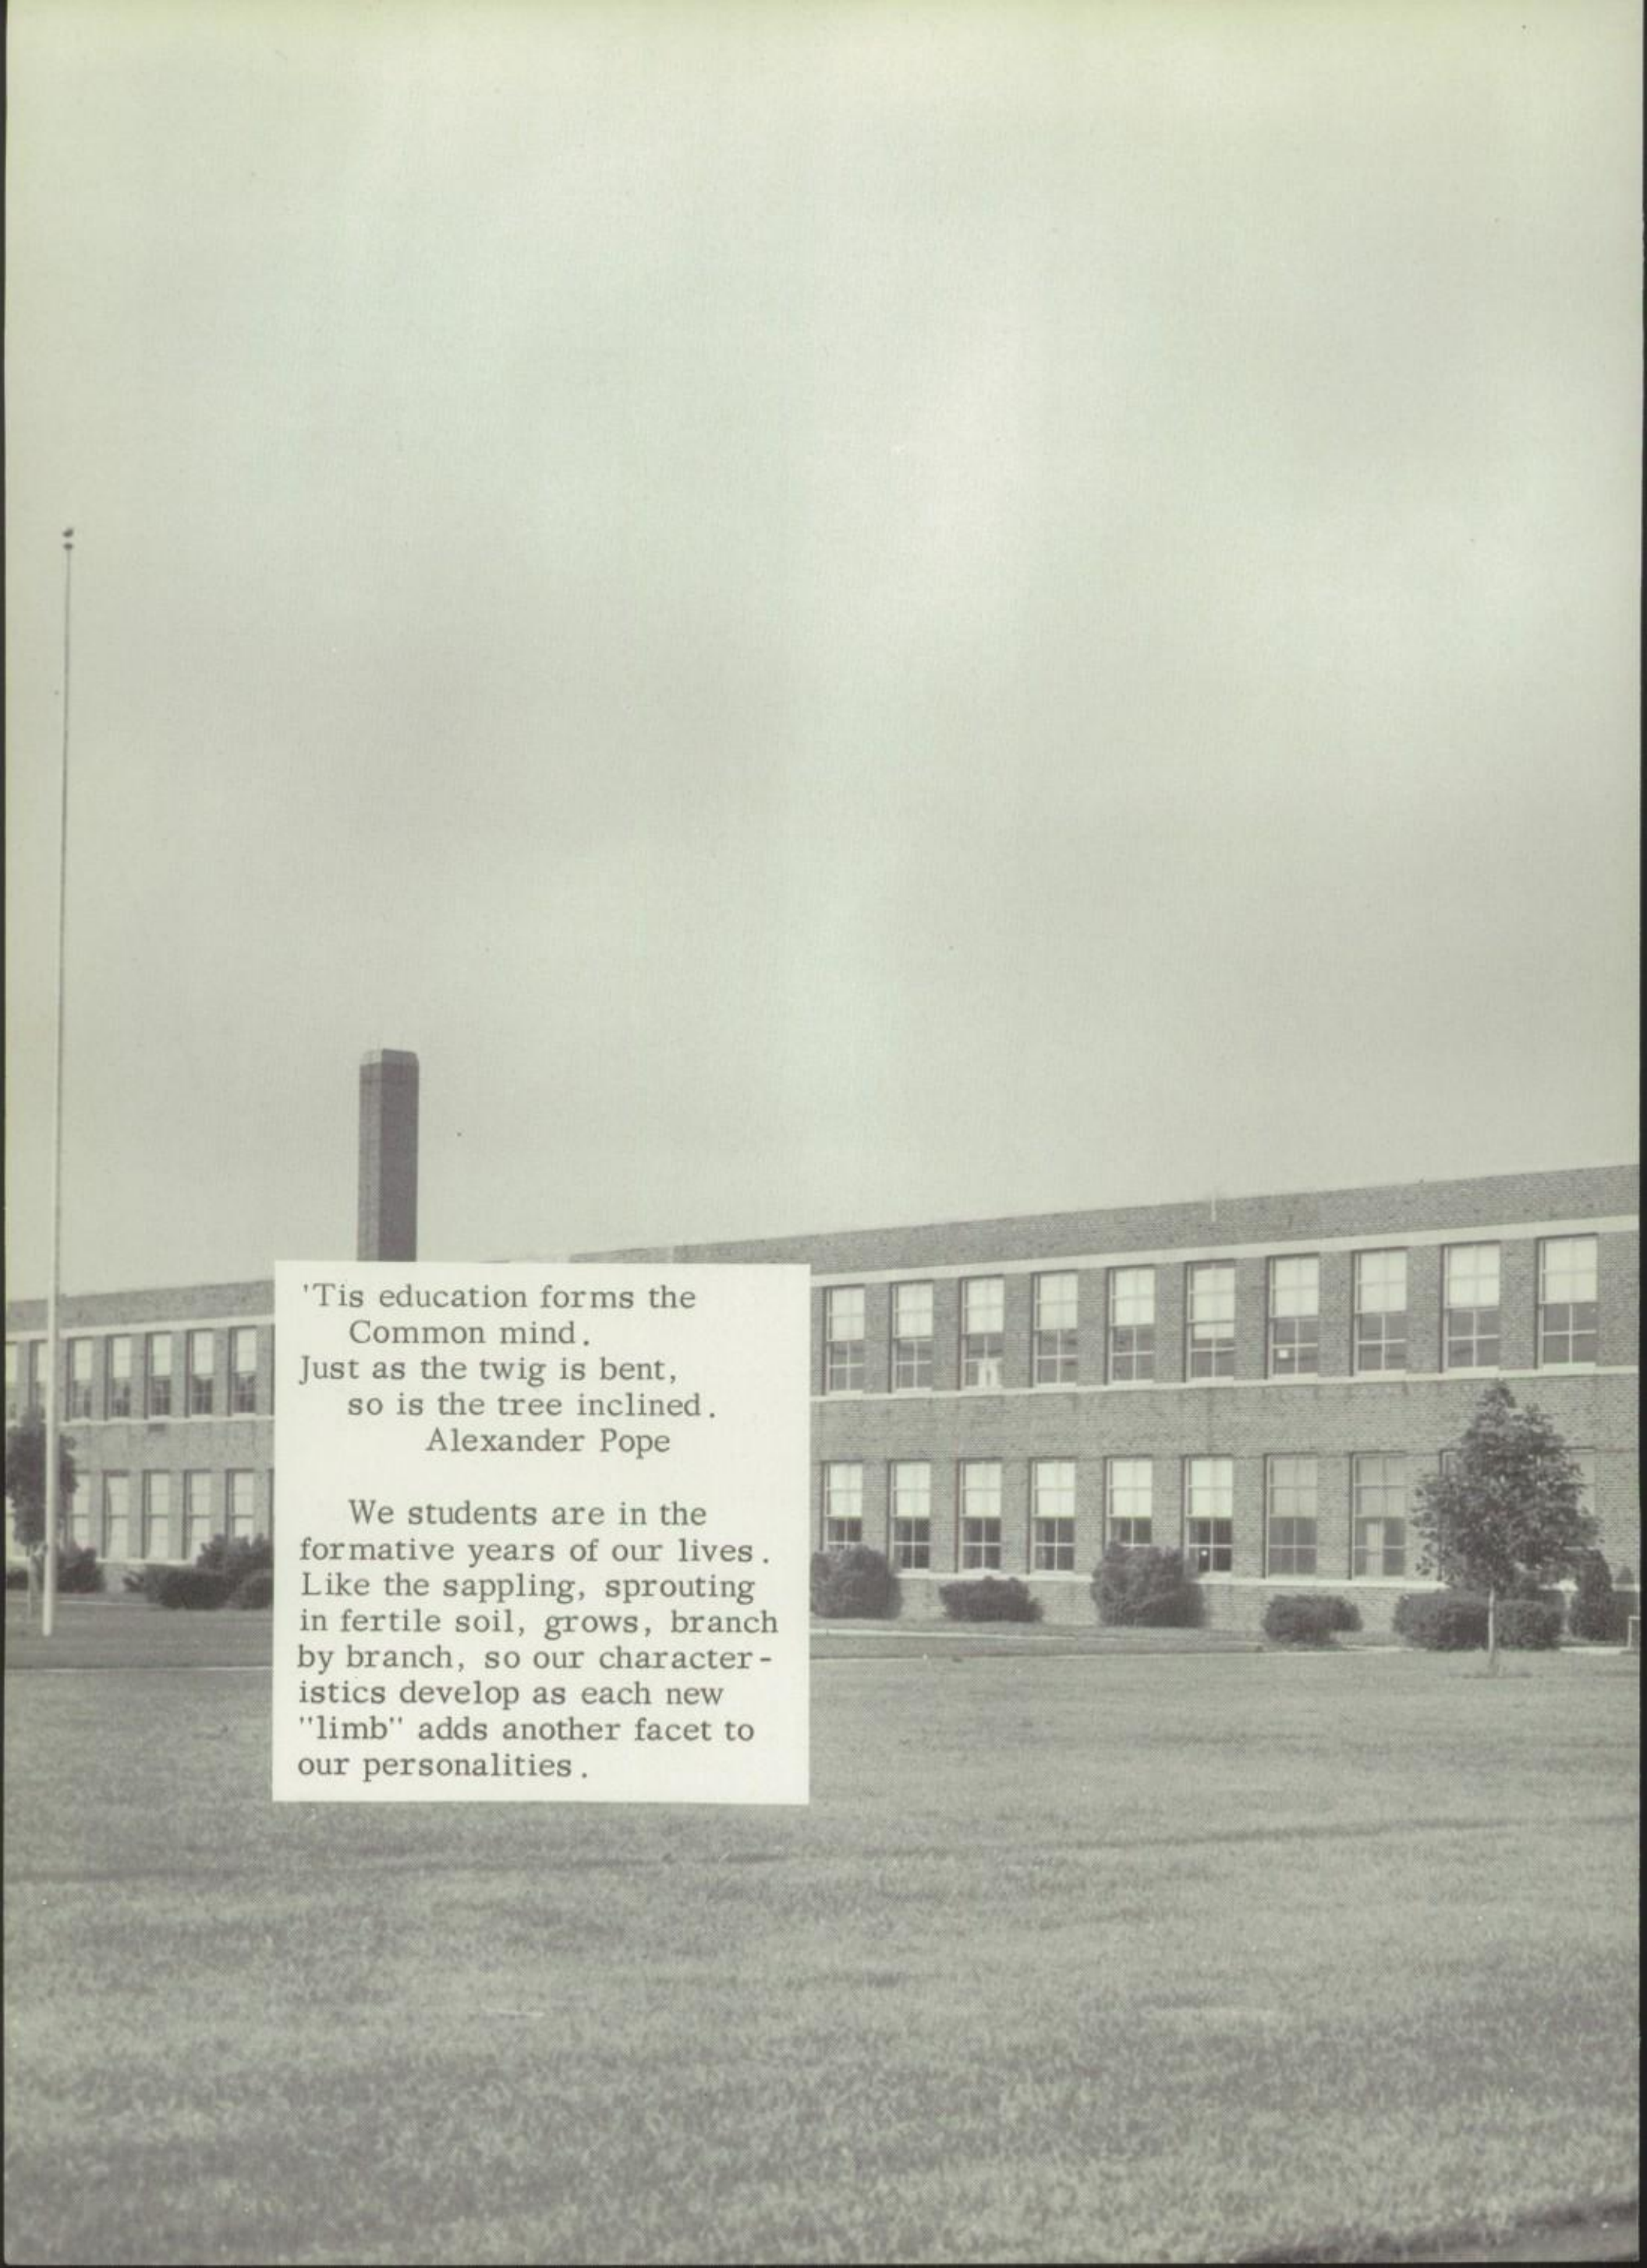

Mrs. Naomi Cross

DEDICATION

With honor and sincere thankfulness, this yearbook is dedicated to Mrs. Naomi Cross in respect for her years of devotion to her job as manager of the cafeteria from its inception to January 1, 1961, her retirement. Her selflessness in administering to the culinary satisfaction and consideration of the students and teachers of Warrensville Heights High is deeply appreciated and well remembered.

'Tis education forms the
Common mind.
Just as the twig is bent,
so is the tree inclined.
Alexander Pope

We students are in the
formative years of our lives.
Like the sappling, sprouting
in fertile soil, grows, branch
by branch, so our character-
istics develop as each new
"limb" adds another facet to
our personalities.

KNOWLEDGE

We esteem instructors as we realize the vast amount of knowledge to be acquired.

SCHOOL ADMINISTRATORS

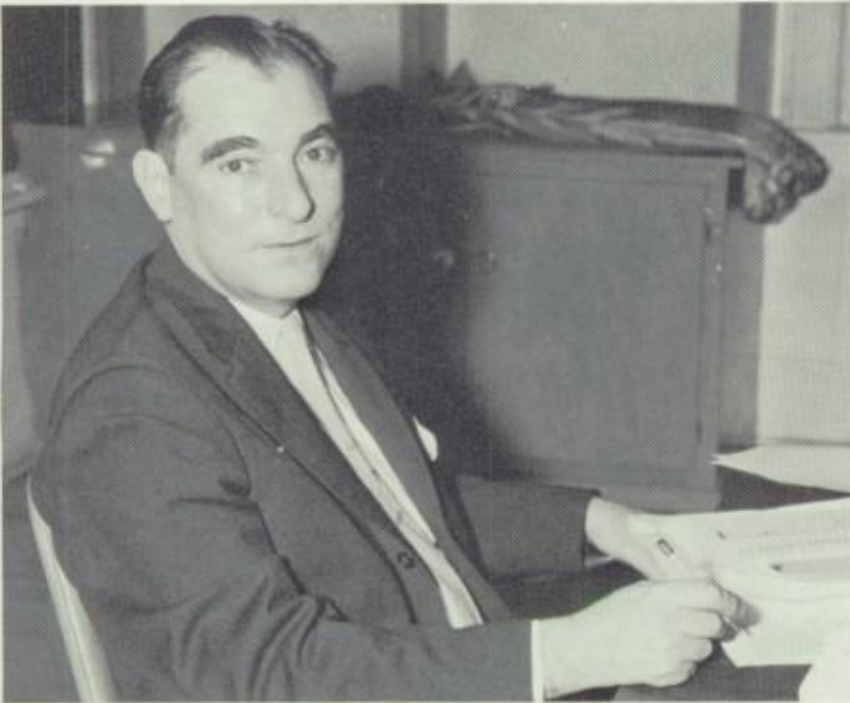

MR. GEORGE WALKER

MR. HAROLD KUHN, BUSINESS MANAGER

School Board

Mr. H. Taylor Kahoe

The most highly criticized people in local government are those unthanked civic-minded souls who take upon themselves through board service the role of guiding our schools. Theirs is the job of knowing what the community wants, what it can pay and for what it will have to settle. We can say that our present board has, as our last board did, given unstintingly of itself.

Mr. John Eyster, President

Mr. Harold Moore

Mrs. Alice Stanton

Mrs. Mary Metzger

Principals . . .

MR. NEUMANN,
Assistant Prin-
cipal, Senior
High

MRS. LANG,
Junior High
Principal

MRS. COGHLAN

MR. TOME, Principal, Senior High

MRS. MARTIN

MRS. GRAVILL

Mr. Tome has guided our students through another year of high educational standards, outstanding athletic achievement, and a wonderful extracurricular program.

Mr. Neumann in addition to his duties as assistant principal is also teaching Freshman Algebra I.

Mrs. Lang headed the junior high through another school year of work and fun.

Together our administration principals welcome all problems with a helping hand and an open heart.

MRS. KOVACS humors her honors class.

Junior, Loretta Arko, helps MISS COONEY make American literature more interesting.

ENGLISH . . .

Going to battle everyday in their war on split infinitives and dangling participles, Warrensville's English department consisting of Mr. Nelson, Mr. Hearn, Mrs. Johnson, Miss Cooney and Mrs. Kovacs works for improvement in oral and written English.

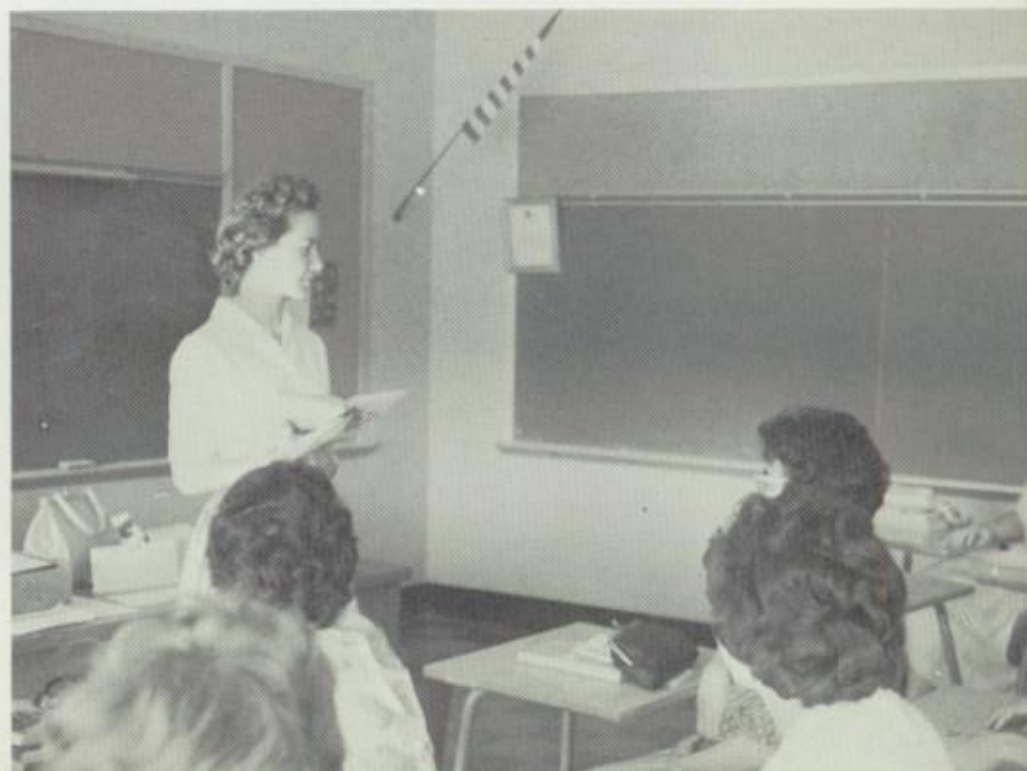

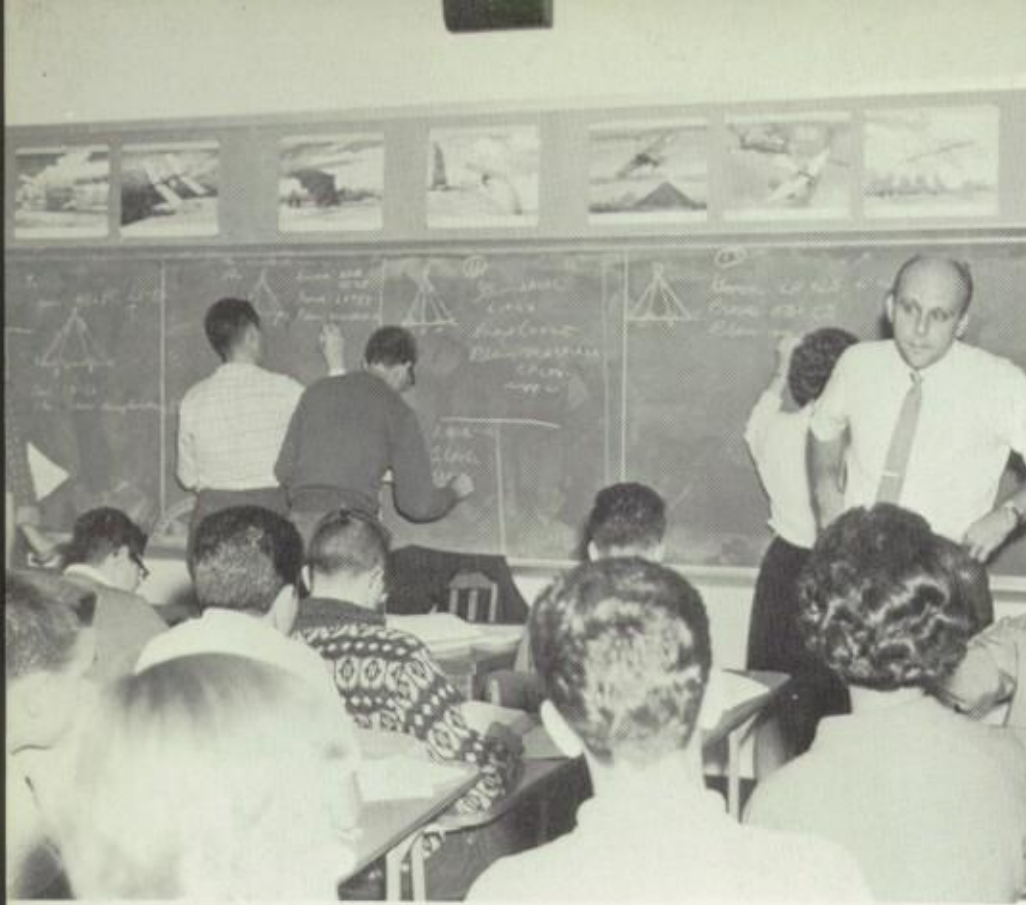

SEATED: Mrs. Johnson, Miss Cooney, Mrs. Kovacs. STANDING: Mr. Nelson, Mr. Hearn.

Looks VERY interesting, doesn't it?

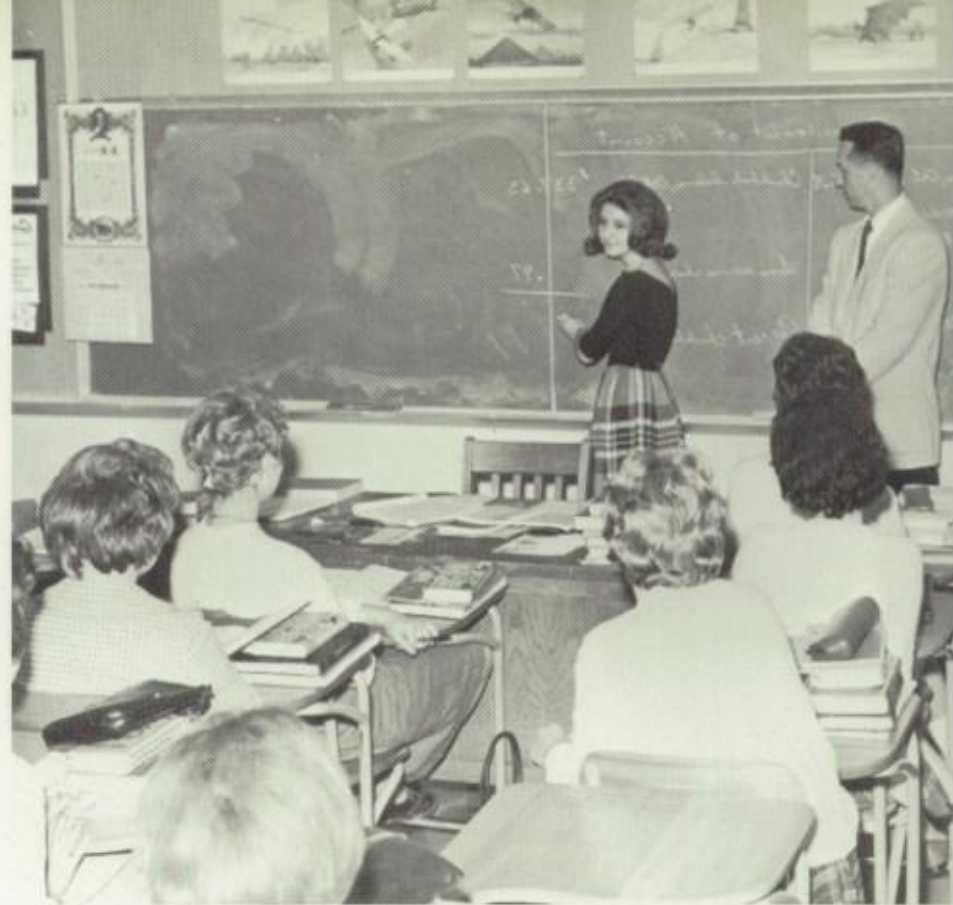

MISS SIMPSON instructs freshman class.

And these are mathematical geniuses?

Aren't figures fun!

MATHEMATICS . . .

In our changing world it is mandatory that students are capable of using the most efficient and up-to-date methods of computation available. We at Warrensville High are fortunate in having excellent teachers for this subject. Mrs. Hoffman takes her students through elementary and advanced algebra then advanced math. Mr. Neumann specializes in Algebra I. Head of our math department is Mr. Kugelman, who teaches geometry and trigonometry. Business math is taught by Mr. Mills to commercial students.

Left to right: Mr. Kugelman, Mrs. Burgess, Mrs. Molnar, Mrs. Hoffman.

MR. LOOS' chemistry class in action.

MR. MEMMER keeps his class talking.

SCIENCE . . .

The importance of science in any high school curriculum is rapidly increasing. Our science department offers courses in general science, biology, chemistry, physics, and senior science. These various subjects are taught by an excellent group of teachers.

Left to right: Mr. Memmer, Mrs. Pattishall, Mr. Loos.

MR. REDFERN oversees his future scientists!

MR. CLARK'S Senior Science class feeding their intellect!

So you think you have PROBLEMS?

SOCIAL STUDIES . . .

The teachers in this department endeavor to teach their students the history and the fundamental principles of various governments, and the environment's effect upon a nation's culture. This knowledge is of vital importance to our world since it will form the foundation of the many historic decisions which will be made in the future by the students of today.

SEATED: Mrs. Keck, Mr. Baker, Miss Horn. STANDING: Mr. Howells, Mr. Teachout, Mr. Korsgaard, Mr. Bugada.

That's the United State MR. HOWELLS, not Russia!

"I'm sure it happened somewhere around here, MR. KORSGAARD."

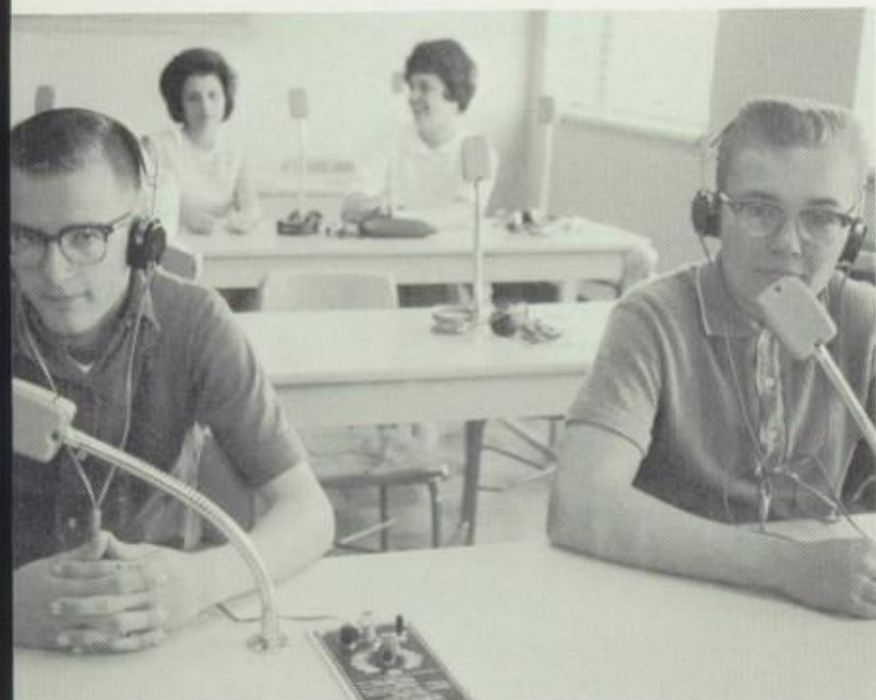

LANGUAGES . . .

A very important factor to our nation is to have full comprehension of what others are trying to tell us. Two years of Latin, and the maximum of four years of French, both important languages in the world today, are offered by our school. These two subjects aid in developing a person with broader views and deeper knowledge of our country's foreign counterparts.

Left to right: Mrs. Blank, Mrs. Myers, Mrs. Jones.

READING . . .

Mrs. Day, our reading Consultant, has been teaching speed-reading and developmental reading for the past four years. At the present time the Reading Center is equipped with two group reading devices; a Controlled Reader, and a Tachistoscope. Included, also, are ten reading devices to be used by the individual in booths especially built for the machines. To date, the Reading Center has been equipped with all SRA Reading Laboratories available for high school use.

Mrs. Lahecka, Mr. Mills, and Mr. Stokes.

COMMERCIAL . . .

The Commercial Department offers courses that prepare students for careers in the business world. There is one year each of business math, general business, bookkeeping, office practice, and two years of typing and shorthand.

MRS. LAHECKA lends a helping hand to her typing class.

MR. STOKES keeps his class busy with his income tax returns.

PHYSICAL

EDUCATION . . .

Physical fitness and good sportsmanship are recognized as a necessity to good citizenship by the Warrensville Heights school system. These assets are accomplished through the able guidance of Miss Keirn, Mr. Tager and Mr. Zenisek.

The lighter side of Physical Ed. is shown by: Miss Kerins, Mr. Tager, and Mr. Zenisek.

Mrs. Orme

Miss Haskins

HOME ECONOMICS . . .

A very diversified course is offered to all senior high girls through our Home Economics Department. The girls learn everything from sewing on buttons to making the latest fashions. Canned foods could never replace the well balanced meals the girls plan and prepare in their modern kitchens. The Betty Crocker Homemaker of Tomorrow contest was administered to senior high girls. This year the award went to Wanda Wolenski.

"An antiquated cooking aid, the cookbook!"

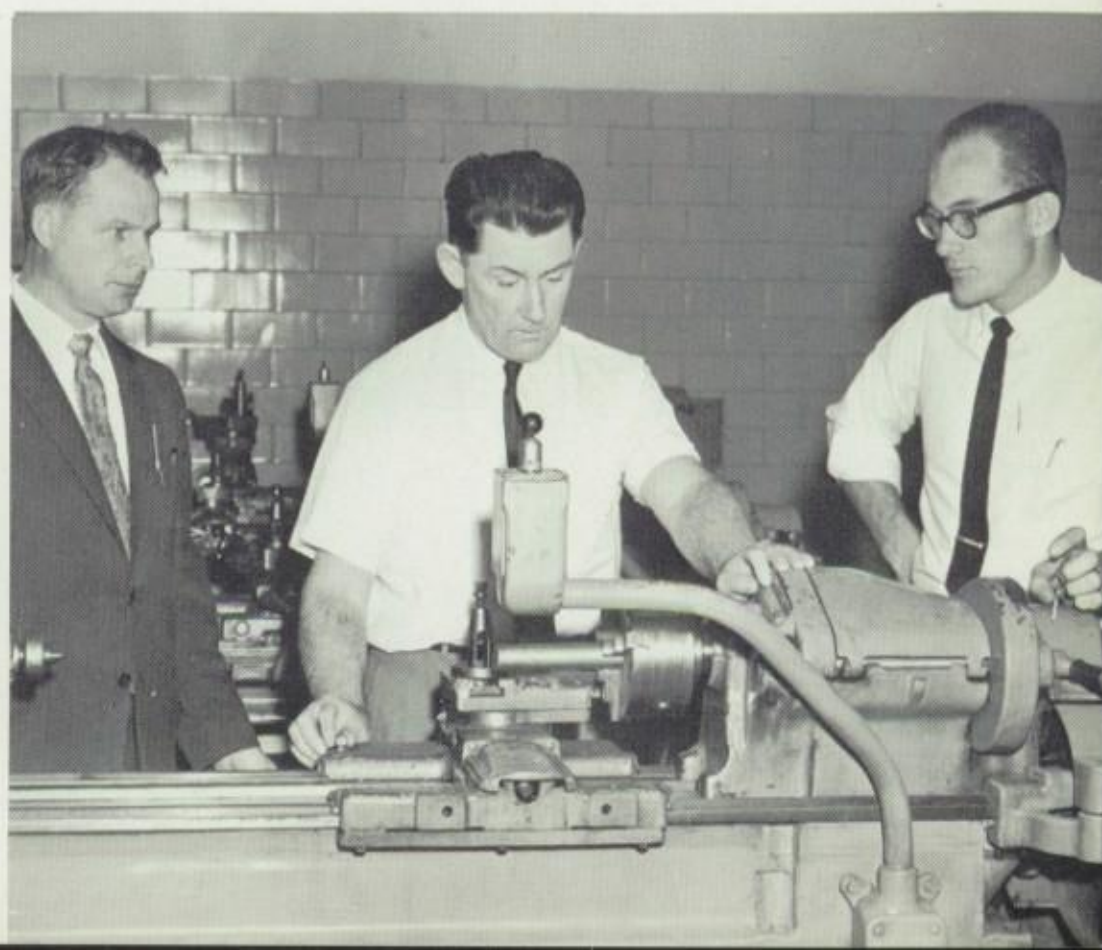

"Some of us can do it without looking!"

INDUSTRIAL ARTS . . .

Supervised by Mr. Harris, Mr. Murray, and Mr. Rogers, the Industrial Arts Department offers opportunity for learning through use of tools, machines materials, and applied information for a sound vocational experience. At the State Industrial Arts Convention held in Columbus 15 ribbons were won in several categories such as woodworking, metals, and graphic arts. This year's exhibit surpassed last year's 2nd place winning by taking the 1st place cup for city schools. This selection was made not only on the basis of craftsmanship but also on the attractive presentation of the exhibit.

From left to right: Mr. Harris, Mr. Murray, and Mr. Rogers.

ART . . .

Under the competent direction of Mr. Blanock and Miss Hummon, the Art Department enjoyed a busy and enriching year. Students expanded their art knowledge by learning interesting and varied techniques which they applied to their own projects. In addition, many informative movies and films on art history were shown.

Mr. Blanock and Miss Hummon present new art techniques.

MUSIC . . .

The Music Department of Warrensville offers both instrumental and vocal music to all interested students. As head of vocal music, Mr. Watzulik conducts freshman choir, orchestra, choral club, and WHHS Singers. Mr. Wutrich, conductor of junior high band, also directs the senior high band. Mr. Kennedy teaches a junior high general music course. To be a member of our school band or a choral organization each student not only has many hours of practice but he also has the opportunity to perform in many musical programs.

Our music teachers at one of their rare moments of peace.

DRIVER'S EDUCATION . . .

Safety is what Mr. Zenisek and his students strive for in their Driver Education Classes. Learning how the automobile functions, the study of traffic laws and how to apply them are just a few examples of why this is a sought after course at Warrensville Heights High School.

"This goes right here, ah here," says Mr. Zenisek.

Mrs. Johnson and Mrs. Stenger

LIBRARY . . .

The high school library provides both the junior and senior high students with a book collection of over 7,000 volumes. Guidance in both reference and recreational reading is accomplished through our school library.

SPEECH . . .

The speech and hearing department, under the direction of Mrs. Grant aids approximately one hundred students with special difficulties each year. These pupils in the junior and senior high level are seen, on an individual or group basis once a week.

Mrs. Grant at work.

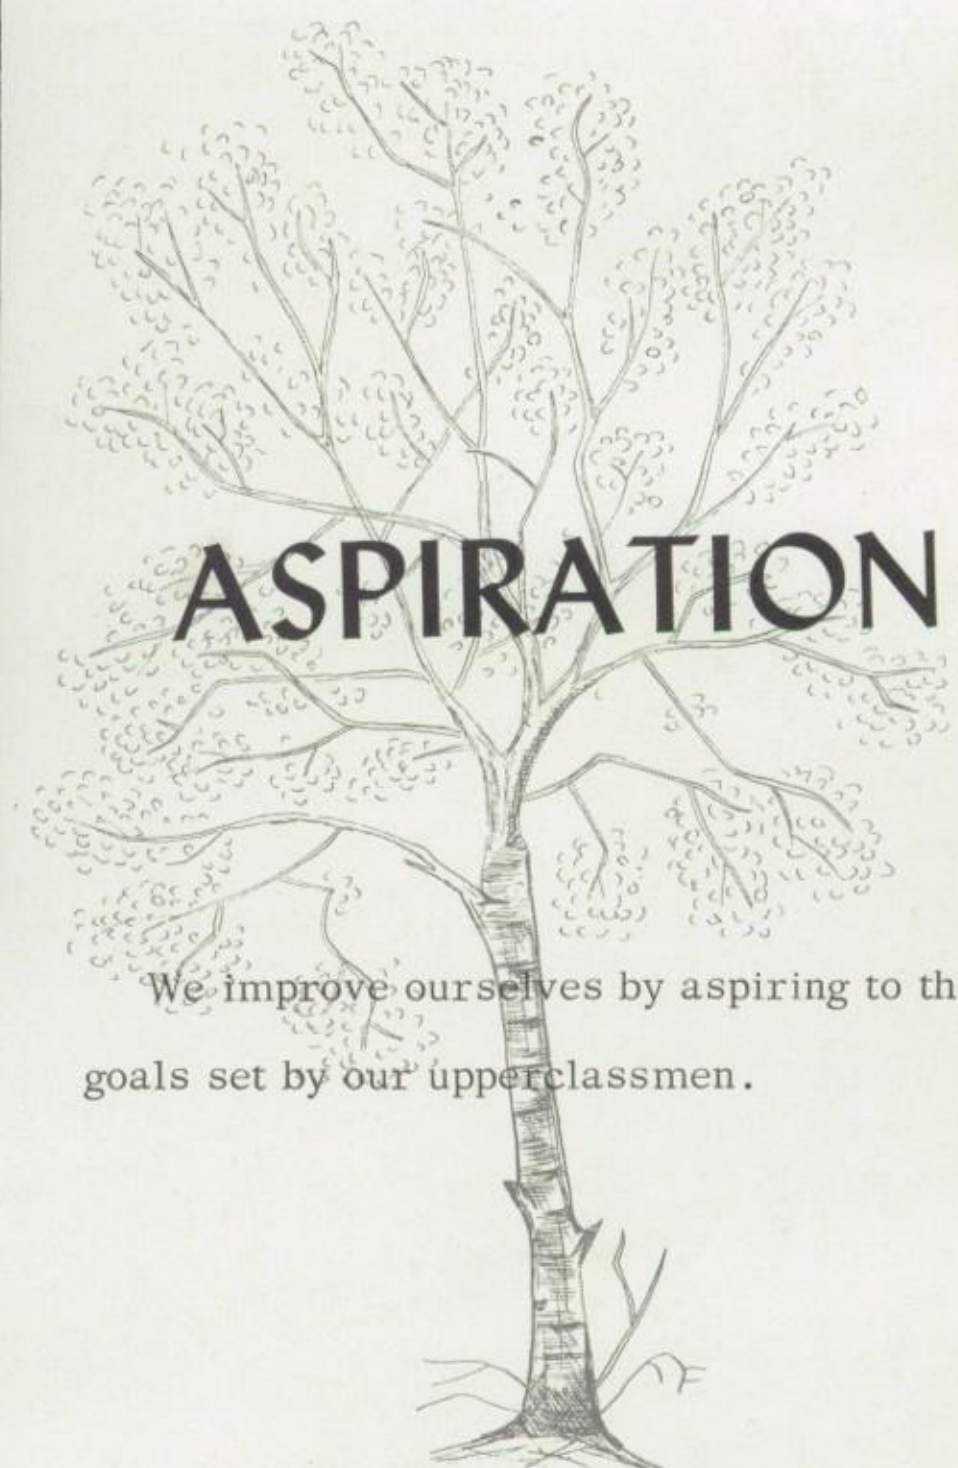

GUIDANCE . . .

Warrensville is indeed fortunate to have such a thorough guidance department. Miss Morrow and Mr. Jones are continually offering a complete program of testing and counseling to produce well-educated students who are well-prepared for the future.

Miss Morrow and Mr. Jones making plans for the future.

ASPIRATION

We improve ourselves by aspiring to the goals set by our upperclassmen.

JUNIORS

The Juniors wasted no time in raising enough money for the Junior-Senior Prom. The concession stands, run by eager junior class helpers, and the car wash, held in the early fall, were both a big success. Only a few more stepping stones appear before the Juniors are officially Seniors.

This year our Tager's Tigers captured the East County Championship for the second time. Coach Tager who was noted for his calmness on the basketball floor, showed the real importance of teamwork. This along with hard work and excellent coaching produced a 16-3 record.

GREAT IMPROVEMENT

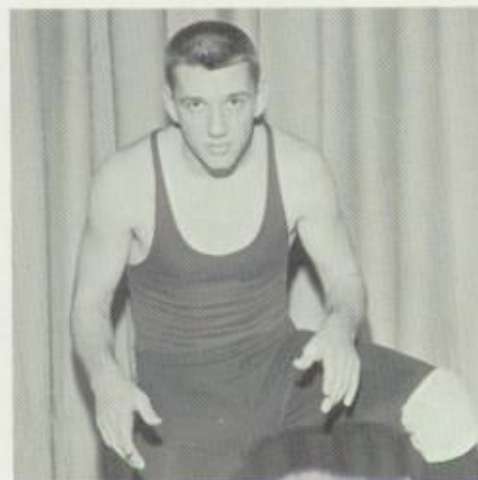

Fuller, D. Bordonaro, B. Piazza, C. Williams.

With only one year of experience, the wrestling team ended the season with a fine record. This record was a result of many hours of practice. The Grapplers proved good enough to enter the district wrestling finals.

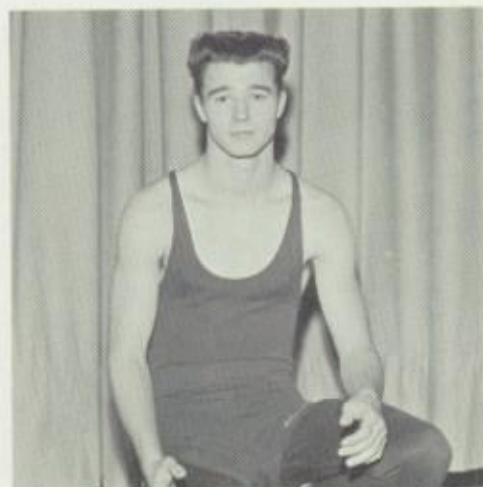

The outstanding Grappler in the 1961-62 season was Bill Herbert, the team captain. Coach Redfern is confident that, having had two years experience, the squad will be a strong contender in the County League.

TRACK

Flying DuBo . . . Best foot forward!

With a young group, Mr. Korsgaard brought out that old fighting spirit that is so characteristic of Warrensville. Composed of three seniors, six juniors, and numerous sophomores, the W.H.H.S. Track team showed great promise as they went on to improve our own school records. In Mr. Korsgaards own words, "Next year we will need far more than 30 words in our Mem Warrs!"

I know it looks easy but . . .

Practicing during the summer and after school, choosing uniforms, planning new cheers and chants, preparing weekly pep rallies - - - all this and more make up the life of a varsity or junior varsity cheerleader. To be a cheerleader, you need more than an endless supply of energy and enthusiasm; you need patience, endurance, tact, and originality. Behind each of these gals is the boosting enthusiasm that makes the crowd feel the determination and the tremendous fighting spirit of the players. They took a little and gave a lot to give our team a winning spot!

Executive Board. ROW 1: Mr. Baker, Adv.; S. Saranti, Pres.; P. Guccione, Sec.; J. Neff, V. Pres.; S. Bando, Treas.

The Student Council has strived to promote better student faculty relations, to promote good citizenship, and to assist in solving the problems of the internal organization of the school. Working constantly to better our school, the officers and home-room representatives carefully planned the numerous activities. Beginning with the Community Fund Drive, the council organized an Honor Study Hall, and planned for the Homecoming Dance held October 14. The Student of the Month Committee was busily selecting a candidate to honor each month. Under the guidance of Mr. Baker, the advisor, the Council sponsored several informative assemblies for the student body.

N.H.S.

Scholarship, Leadership, Service, and Character are the deciding factors when teachers consider candidates for membership in the National Honor Society. Under the direction of Mrs. Ruth Jones, this group attended an Honors Banquet held at Mayfield Heights High School and climaxed the year with the annual induction held March ninth.

KEY CLUB

Unlike many organizations our Key Club is a service club intent on serving the school and the community. However, the monthly service projects more than repay the individual who participates in the activities. The Club assisted it's sponsoring Kiwanis Club in various ways throughout the year. Autumn found the

The Senior Y-Teens is the largest girls' organization at WHHS. This year under the sponsorship of Mrs. Orme, President Jane Duale led the club through a most successful year. Just a few of the numerous activities included this year were such service projects as a Thanksgiving Basket to a needy family and tray favors, along with a tour, at Highland View Hospital, the annual World Fellowship Potluck, and a Mother-Daughter Potluck, honoring outgoing and incoming officers. Friendship and Good Fellowship are the key objectives of this service club.

The senior high offers many opportunities for musicians at WHHS. Highlighting the band half-time shows are acrobatic feats performed by tiger mascot, Jean Fuller, and twirling of fire by Diane Smith, head majorette. As the seasons changed so did concert themes illustrated by the Christmas, Winter, Spring, and Strawberry Festivals. Our top musicians, most of whom entered the Greater Cleveland Music Contest in late February, also attended the annual SOWBMAC concert held in March. This year has been very profitable for the WHHS band.

1961 HOMECOMING

The excitement of the annual Homecoming weekend festivities began on Friday, October 13, 1961. At half-time the candidates for Homecoming Queen approached the stands in white impala convertibles and were each helped out of the cars by special escorts.

The excitement mounted even more when Diane Smith stepped forward to be crowned queen by Jane Duale, Hilarie Loomis, and Wanda Wolenski.

Even though the evening was Friday the thirteenth, the Tigers roared on to a victory of 16 points to Solon's 6. More festivities were yet to come when the gymnasium was transformed into a multicolored ballroom for the Homecoming Dance, sponsored by the Student Council. It was an evening to be kept long in the memories of all.

BEAT

"Broadway Beat" was the theme of the SOWBMAC Dance held in the gym of Solon High School. Releastic and colorful skyscrapers enhanced by glittering lights set the scene. After a while of dancing, a silence fell over the crowd as the SOWBMAC Queen candidates entered the room. Each school was given the opportunity to choose a SOWBMAC candidate to represent their school. The candidate from Mayfield, Anita Woods, held the title of SOWBMAC Queen for the evening. Our Student Council Committee selected Jane Neff, a sweet and smiling senior. Jane is not only well qualified in the beauty aspect but is also active as Vice President of our Student Council.

The purpose of a year-book is to capture memories and keep them fresh in enwrappings of photographs and prose. A yearbook enables a past year to be retained; a firm stone in the foundation of the future.
